

# WE FOSTER EXTRAORDINARY LEADERS, RAINMAKERS, AND TEAMS.

At Mountaintop Consulting, our cadre of business advisors and coaches help leading professionals and organizations across the globe reach higher peaks of productivity and profitability in ways that are authentic, action-oriented, and sustainable.

For over 15 years, we have offered practical advice and personalized service.

## HOW WE HELP

### Building Stronger Leaders & Rainmakers

We equip professionals from C-suite leaders to entry-level associates with the skills necessary for growth and sustainable success.

We build competencies including personal branding, executive presence, leadership, business development, and communication skills through small group coaching, individual coaching, group workshops, and on-demand learning.

#### How We Do It:

- Retention & Promotion Programs For High Performers
- Business Development Training Programs
- Leadership Development Programs
- Executive Coaching
- Turnkey Professional Development Programs

### Team Building & Strategic Planning

We help leadership teams collaborate, generate buy-in, and create actionable roadmaps for growth.

We enable leaders to strengthen and build exceptional teams that row in the same direction and succeed with ease, excellence, and enjoyment.

#### How We Do It:

- Strengths Training & Leadership Development (Leveraging Gallup's StrengthsFinder Assessment)
- Surveying & Feedback Gathering
- Vision & Mission Statement Development
- Facilitated Retreats
- Strategic Planning
- Business Development Planning
